## WADSWORTH MAGNET SCHOOL

2084 Green Forrest Drive, Decatur, Georgia 30032  
678-874-2400 (Information) 678-874-2402 (Office)

**Program Description:** The High Achievers Magnet Program continues to offer an educational program to students in grades 4-6 who possess the intellectual potential, aptitude, and functional ability to achieve in a rigorous academic environment. The magnet program for high achieving students is comprehensive. It is designed to enable students to be creative, independent in action, critical in thoughts, and effective in communication. There is an instrumental music component in the curriculum, and students are scheduled into art and music classes weekly. In addition to providing a challenging curriculum, students are encouraged to enroll in the many academically-centered enrichment opportunities provided for students after school. Teachers and parents direct these after-school sessions.

### Special Features:

- Lab-oriented science program
- Scientific method of investigative problem solving
- Interdisciplinary approach to curriculum
- World Language (Kittredge: German, Wadsworth: Spanish)
- Up-to-date computer lab
- Student/school participation in competitions at many levels
- Parental involvement encouraged
- Instrumental music taught daily

### Eligibility:

Completed application  
3.0 (or higher) core subject grade point average on the 2012-2013 fall report card for students applying for grades 4-6
